

From the Desk of Mrs. Funches
School Counselor
Winslow Twp. Elementary School No. 1

Dear Parents,

October 19th to October 22nd students learned about a conflict resolution strategy called Stop. Walk. Talk. This conflict resolution strategy is easy as 1-2-3 to learn.

- 1: Tell the person to **STOP** then...
2. **WALK** away if that doesn't work...
3. **TALK** to an adult

How can you help? You can help by talking to your child about any negative situations/events they encounter in school. Please ask them if they **1. Told the other child to stop, 2. If they walked away, and 3. If they talked to an adult.** It is our sincere desire to have a school environment which is characterized by respect and caring. Please do not hesitate to inform us if your student is experiencing problems with other students. We are here to help!

clothespins which are also displayed along the banner.

October 23rd to October 30th students and staff at Winslow Twp. Elementary School No.1 observed red ribbon week. While in their classrooms K-3rd grade came up with "A Minion Ways to stay Healthy" and wrote their ideas on a minion which is displayed on a banner in the main hallway. Preschool created Minion
