2025 Summer Reading Literacy Activity Choice Board for Pre-K - 3rd Grade

Dear Parents and Guardians:

Research tells us that students need to read during the summer to maintain their independent reading levels. This summer, all students have the opportunity to select a book or books from the provided list and complete an activity or activities on the Activity Choice Board.

We know that when you read a good book, you can't wait to tell everyone about it! Therefore, as you read this summer, here are some ways to show what you know about the book you read.

Review the Activity Choice Board Menu and complete as many activities as you want. Feel free to complete other activities not on the Activity Choice Board. If you want to be challenged, do as many boxes as you can before school starts in September! We can't wait to see and hear all about it when you return to school.

Activity Choice Board - Summer Reading Winslow Township Schools #1 - #4

Directions:

Select as many boxes as you like to complete. Complete Tic-Tac-Toe (3 boxes in a row) and bring the completed activities back to school on the first day, and receive a prize.

<p>1 Act out the story or scene from the book with friend(s). You can even record videos of your acting.</p> 	<p>2  Make a list of the events that happened in the book.</p>	<p>3 Read a story to a friend(s) or sibling(s).</p> 
<p>4 Make a list of all the books you read and list them in order of your favorite.</p> 	<p>5 Draw a picture depicting what you read in the book. It could be a scene you like or a scene that stuck out to you.</p> 	<p>6 Respond to something you have read in a creative way you'd like. Use your imagination.</p> 
<p>7  Talk to a friend about what you read, something that confused you, or what this book inspires you to do.</p>	<p>8 Try reading in different areas. Try reading at the library or any place you can go.</p> 	<p>9  Write a letter to the author or a pen pal. Look up information on the author to learn more about them and their books.</p>
